Permanent Address:

11 Sterling Rd.
Wellesley, MA 02482

Blog: <http://thegongshow.tumblr.com>

EXPERIENCE:

11/07 – Present
8/06 – 11/07

Associate, *Union Square Ventures*, New York, NY.

Analyst, *Union Square Ventures*, New York, NY.

Member of the investment team. Responsibilities included: sourcing new investments, working with existing portfolio companies, supporting financings, and LP interfacing. Also aided in one new fundraising process in early 2008.

5/05 – 6/06

Producer, *Homestead Technologies, Inc.*, Menlo Park, CA.

Organized and performed user testing. Designed, wrote specs, and managed features in a month-long product development cycle. Used rapid prototyping techniques regularly. Reported directly to the senior executive team for four months.

6/04 – 6/05

Developer, *Groupspace.org*, Stanford, CA.

Helped build Deme, an open source web-based solution for online deliberation. It resembles Yahoo Groups with extended functionality. Was responsible for development in PHP, MySQL, and Javascript along with RedHat Linux server maintenance. Learn more about Deme at <http://www.groupspace.org>

EDUCATION:

9/01 – 6/05

Stanford University, Stanford, CA.

BS, Symbolic Systems, GPA: 3.6

Concentration: Human Computer Interaction

Satisfied requirements for Computer Science minor.

9/97 – 6/01

Belmont Hill School, Belmont, MA.

Graduated Summa Cum Laude.

ADDITIONAL INFORMATION:

Basic French and Spanish. Well-versed in PHP, MySQL, Javascript, CSS, and HTML. Dabbled in C, C++, Java, and Perl. Strong with Photoshop and Excel. Recreational dodgeball player and runner. Active blogger.
